Reservation Instructions:

Reservations can be made at discounted rates over the phone. Just mention that you are with the Hawaii International Synchronized Swimming Invitational. Because this is our peak season, the earlier you make your reservation the more you can save, and the better chance you will have of getting the program and time desired.

Detailed information, schedules, availability, and requirements for each of our programs are available on our website at www.sealifeparkhawaii.com in the programs and reservations section. You can book through our reservations office by calling 1-866-DOLPHIN.

If there is no availability for the desired date/time, or not enough space for your entire group to participate in your experience together, please contact me directly at 808-259-2504 or e-mail aglickstein@sealifeparkhawaii.com and I will work with you to find a solution.
