### **3. Official High School Transcript**

For Community Colleges, a transcript is required by certain programs. The campus will inform you if it is required. UH Manoa requires a transcript if you have earned less than 24 semester credit hours from a regionally accredited U.S. college in courses equivalent to those offered by UH Manoa at the time you apply for admission. Your transcript must be sent directly from your high school to the Admissions Office to be considered official.

If you did not graduate from high school, you may submit the General Education Development (GED) test results in addition to your high school transcript.

### **4. Other Official Transcripts**

You must have official transcripts from **each** college, university, business or post-secondary school sent directly by **each** school to the Admissions Office. Transcripts sent via fax or personally delivered will not be considered official. If you are applying for the fall semester, the transcript should include all courses completed through the previous fall semester. If you are applying for the spring semester, the transcript should include all courses completed through the previous summer. See transferring to UH for more information.

### **5. Official Test Scores**

Official SAT-1 or American College Test (ACT) score is required by UH Hilo and UH Manoa, if you have less than 24 semester credit hours from a regionally accredited U.S. college.

### **6. Health Clearance**

Both tuberculosis and measles (rubeola) clearance are required of all students and must be submitted prior to registration. You will receive a Health Information Form if you are accepted.
